Dear Dalan Chen,

I am writing to support your application to come to Australia to visit me for 7 weeks in order to have Christmas and New Year together. I hope you will be able to come on 30 December 2016.

I have recently completed the Bachelor of Commerce and Bachelor of Asia-Pacific Studies at the Australian National University in December 2016, and I am currently obtaining a Temporary Graduate (subclass 485) visa which validates until 09 September 2018. I am currently working as a Barista at Dash Café Jorlimont and interning at International IDEA as a general accountant. I have enclosed copies of my passport and visa for your reference.

I have arranged suitable accommodation for you at *38 Swinden St, Downer, ACT 2602* and I will be supporting your daily expense during the time you are here.

I look forward to seeing you soon.

Kind regards

Qianying Zhang
